

Al Mayassa

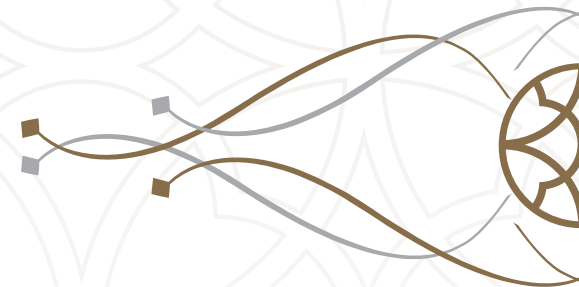

HALLS 1 & 2

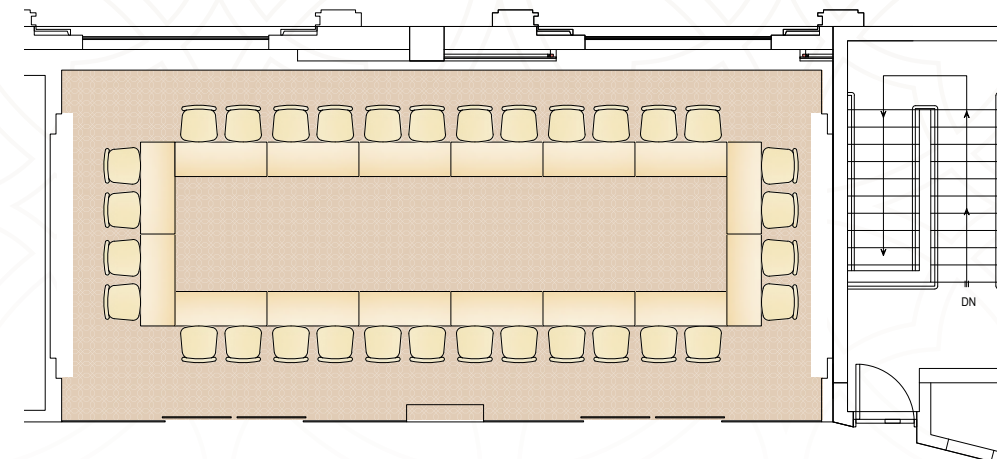

Al Mayassa Halls

These halls can be used separately or together. They are also available in a range of luxurious appointments. Optimal as top-level meeting and presentation spaces, these halls can also host marquee meetings, media briefings and much more. In wedding scenarios they can also house backroom bands and live musicians.

The venue with its numerous configurations serves the varying needs of all types of corporate or strategic meetings and summits.

The design of the venue also offers organizers the ability to host smaller parallel sessions for plenary panels, as well as separate B2B meetings, all equipped with a full array of audiovisual solutions.

A range of food and beverage options combine with the facilities to offer a holistic conference experience.

Consider our private board rooms for high-level corporate meetings.

The ideal venue for annual shareholder meetings with private boardrooms, a Majlis and large conference hall
